United States Medical Supply

Diabetic Glucose Log

LOG BOOK INSTRUCTIONS:
Patient instructions: provide completed log book to your physician and ask that it be included with your medical records. This will help support payment by your insurance in case your claim is reviewed.

Physician instructions: please sign, date and include with the patient's medical records.

PATIENT NAME: _____

Date	Test 1	Test 2	Test 3	Test 4	Test 5	Test 6
